

Amicus Therapeutics Prices Underwritten Offering of Common Stock

CRANBURY, NJ, June 11, 2015 — Amicus Therapeutics (Nasdaq: FOLD), a biopharmaceutical company at the forefront of therapies for rare and orphan diseases, today announced the pricing of an underwritten offering of 16,981,132 shares of its common stock at \$13.25 per share. The gross proceeds from the offering to Amicus are expected to be \$225 million, before deducting underwriting discounts and commissions and estimated offering expenses payable by Amicus. In addition, Amicus has granted the underwriters a 30-day option to purchase up to an additional 2,547,170 shares of its common stock. The offering is expected to close on June 17, 2015, subject to customary closing conditions.

J.P. Morgan Securities LLC and Goldman, Sachs & Co. are acting as joint book-running managers for the offering. Cowen and Company, LLC is acting as lead manager and Janney Montgomery Scott LLC is acting as co-manager for the offering.

The Company expects to use the net proceeds of the offering for investment in the global commercialization infrastructure for Galafold™ (migalastat) for Fabry disease, the continued clinical development of its product candidates and for other general corporate purposes.

The securities described above are being offered by Amicus pursuant to a registration statement previously filed and declared effective by the Securities and Exchange Commission (the “SEC”).
